

Are your church members sharing their faith with the lost? If they are, then more people will go to your church and it will **GROW!** I hear the Lord saying:

“Awake! I Am Coming...”

“Awake! I Am Coming...” is a two session flexible church growth seminar taught by ministers Susan and David Nazarewicz with an “Outreach” at a nearby Mall or elsewhere. It will encourage, uplift and pull your church members or youth group off the pews and launch them to fulfill the Great Commission. They will teach from Susan’s book – **“I Want to Witness, But What Do I Say?”** about how to use “object evangelism icebreakers.” They are humble and just want to help and thus will come for a Love Offering of any amount.

Why This Seminar?

Because Jesus is coming soon! Many times the hardest part about witnessing to the lost is just getting started. Many Christians really do not know how to **transition** or segue a conversation onto the Gospel track. If you cannot do this, you will not be witnessing at all, so this is a huge problem! God greatly inspired Susan Nazarewicz **with a solution** and then she finally wrote and published her book: **“I Want to Witness, But What Do I Say?”** It contains over 400 “object evangelism icebreakers” that Christians can use to transition or segue conversations into the Gospel, so that Christians can witness to unbelievers wherever they go!

They Will Make a Tract for Your Church!

Just tell her what you want –

- ✝ your church’s logo or theme
- ✝ church location and directions
- ✝ church service times
- ✝ specific wording, special graphics

Susan will create it and e-mail back proofs to you until it is just what you want and then give you the original to be printed for your church members to use as they witness to the lost for free.

First Night/Saturday Night – Awakening Compassion in the Church

- ✝ How close is it before Jesus comes again?

- ✝ the horrors of Hell, and how to explain hell & that it is real.
- ✝ Casting your cares on the Lord, so you can care about others
- ✝ Overcoming tolerance, fear of man & rejection -> to witness
- ✝ Using “the Gifts” to witness
- ✝ Prophetic Ministry – to as many people as time allows.

Next day/Sunday Morning

- ✝ “Object Evangelism icebreakers” sowing many examples
- ✝ Testimonies – “Yes, it works!”
- ✝ Truth to Say to 13 False Religions
- ✝ What to Say to Objections
- ✝ Her Book: **“I Want to Witness, But What Do I Say?”**

After Second Session

Outreach at the Mall or Elsewhere

After church, we will **pray** and then all willing church members will go to the Mall. Make a goal of talking to at least 10 people. Walk around for 1 ½ to 2 hours. Go to the **Food Court** and/or different stores in the Mall. Shop for real or “window shop” and simply **talk to or witness to people along the way.** Use the object evangelism icebreakers. If they are interested, give them your church’s tract. Meet back at the church afterwards to share testimonies of the people we witnessed to and then **Praise the Lord for all He has done!!**

Prophetic Ministry

One prophetic word can change your life! 1 Cor. 14: 3 says "he who prophesies speaks edification, exhortation and comfort to men." The Lord graced Susan with a prophetic gift in March 1997 where she can easily sing prophetic words over people by the spirit of the Lord. Over the years, hundreds have been blessed, edified, and comforted through a prophetic song Susan sang over them. See: [Susan's prophetic gift - Testimonies](#) After Susan married David, she excitedly realized that he can prophesy as well! After she prophesies, the Lord often gives him a prophetic word too. The prophetic words can be recorded using the "voice memo" on androids or iphones So if you are open to it, after the seminar, we can prophesy over your church members as well for a period of time.
