

Are your church members sharing their faith with the lost? If they are, then more people will go to your church and it will GROW! I hear the Lord saying:

## “Awake! I Am Coming!”

“Awake! I Am Coming...” is a two session flexible church growth seminar taught by Rev. Susan Nazarewicz and her husband David Nazarewicz with an “Outreach” at a nearby Mall or TBD. It will encourage, uplift and pull your church members, youth group or women’s group off the pews and launch them to fulfill the Great Commission. They will teach from Susan’s book – *“I Want to Witness, But What Do I Say?”* Susan and David are humble and sincerely want to help churches grow and so they will come for a Love Offering of any amount.

### Why This Seminar?

Because Jesus is coming soon! Many times the hardest part about witnessing to the lost is just getting started. Many Christians really do not know how to *transition* or segue a conversation onto the topic of the Gospel. If a Christian cannot do this, then they will not be witnessing at all. Therefore this is a *huge* problem! The spirit of God inspired Susan Nazarewicz with an all-encompassing solution that she wrote about in her book: *“I Want to Witness, But What Do I Say?”* This amazing book contains over 400 “object evangelism icebreakers” that Christians can use to transition conversations into the Gospel, so that Christians can witness to the lost at school, at the Mall, around Sports or wherever they go!

### Susan Will Make a Tract for Your Church!

First look at the free downloadable tracts at: [www.iwanttowitness.com](http://www.iwanttowitness.com)

Then tell Susan what you would like and:

- your church’s logo or theme
- church location, direction, service times
- specific wording or special graphics

Susan will create it and e-mail back proofs to you until it is just what you want and then give you the original to be printed for your church members to use as they witness to the lost for free.

#### *Outreach at the Mall or TBD*

After church, we will **pray** and then all willing church members will go to the Mall or TBD place. Make a goal of talking to at least 10 people. Walk around for 1 ½ to 2 hours. If at the Mall, go to the **Food Court** and/or divide up to go to different stores. Buy something small or “window shop” and then **talk to or witness to people along the way**. Use the object evangelism icebreakers. When a person is interested, give them your church’s tract. Meet back at the church afterwards to quickly share testimonies about the people who we shared the gospel with. Then sing a worship song and **Praise the Lord for all He has done!!**

## Object Evangelism Icebreakers to Segue:

- † **Salt & Pepper shakers** – These salt & pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness...So do you know which Kingdom you are in?
- † **Door** – This door reminds me of how Jesus is the door to eternal life. He is the most important door you will ever walk through...Have you ever walked through that door?
- † **Purse** - My purse, which holds my wallet and keys, reminds me of my Bible, which holds the valuable keys to eternal life in heaven.

## Prophetic Ministry

The Lord graced Susan with a prophetic gift in March 1997 where she can easily sing prophetic words over people by the spirit of the Lord. One prophetic word can change your life! 1 Cor. 14: 3 says, "he who prophesies speaks edification, exhortation and comfort to men." Over the years, hundreds have been blessed, edified, exhorted, and comforted through a prophetic song that Susan sang over them. You can read the testimonies on Susan's website. The prophetic words can be recorded using the "voice memo" app on androids or iphones. After the seminar Saturday night, at the pastor's discretion, Susan can prophesy over many people as well for a period of time.
